

Aerialink **Call Forwarding.** Everything You **Need to Know.**

How do I turn on call forwarding on an Aerialink phone?

Aerialink provides telecommunication services, and offers various calling features. To set up these features, you must contact Aerialink directly.

1. Get started

Start by forwarding your calls to SAS.

2. Check it

Call your business from another phone to ensure you're forwarded.

3. Have issues

Call your forward number directly to check if the line is working, and try to forward your calls again.

4. We're here

Call 866-688-8912 or visit www.specialtyanswering-service.net

Hello

Call forwarding is how you get your businesses telephone calls to SAS

Easy

No installation necessary - call forwarding is probably already active on your line

Goodbye

Cancel call forwarding when you're ready to answer your own calls again
