

All Calls Call Forwarding

All of your incoming calls will be redirected to a number you choose

How To Activate:

1. At the dial tone *72
2. Listen again for a dial tone
3. Dial the number to which you want your calls forwarded
4. If the call is answered, then it is activated

How To Deactivate:

1. Dial *73 at the tone
2. A beep/tone confirms deactivation
