

## ◆ CALL FORWARDING INSTRUCTIONS ◆

Let important calls follow you by transferring all incoming calls to another number that you choose – even a pager or wireless number.

### To turn ON call forwarding:

- Press   
- Listen for special dial tone
- Dial the number you want your calls forwarded.

When someone answers at the forwarded number, call forwarding is put into effect.

### To turn OFF call forwarding:

- Press    to cancel.

For questions regarding call forwarding,  
visit [www.specialtyansweringservice.net](http://www.specialtyansweringservice.net),  
or call us at **1-866-688-8912**.
