

# USIP Communications **Call Forwarding.** Everything You **Need to Know.**

## How do I turn on call forwarding on a USIP Communications phone?

USIP Communications provides telecommunication services, and offers various calling features. To set up these features, you must contact USIP Communications directly.

### 1. Get started

Start by forwarding your calls to SAS.

### 2. Check it

Call your business from another phone to ensure you're forwarded.

### 3. Have issues

Call your forward number directly to check if the line is working, and try to forward your calls again.

### 4. We're here

Call 866-688-8912 or visit [www.specialtyansweringservice.net](http://www.specialtyansweringservice.net)

#### Hello

Call forwarding is how you get your businesses telephone calls to SAS

#### Easy

No installation necessary - call forwarding is probably already active on your line

#### Goodbye

Cancel call forwarding when you're ready to answer your own calls again
